Re: 3: 12-cv-00451-wmc

To: Hon.Judge William M. Conley,

My Name is Jonathan Lee Riches, today on July 13th, 2012, I received Certified mail saying I'm involved in Case # 3:12-cv-00451-wmc , giving me a order to respond why I should not be held in contempt. I'm not Jonathan Bollinger, I dont know Jonathan Bollinger, I did not file or write this lawsuit as Jonathan Bollinger or Jonathan Lee Riches. I did not tell anyone or conspire with anyone to file this lawsuit, I dont know who filed or wrote this law suit. I ask to be removed as a party in this case, I dont want to be involved in this case.

- 1) I'm requesting a attorney in this matter. I'm indigent and I'm on medically mental disability with the state of Pennsylvania, and unable to work
- 2) I'm requesting a mental health evaluation, I dont understand what this paper work means or proceedings. Since I been out of prison, I'm not recieving my previous prescribed medications.
- 3) Im notifying my Probation officer immediately on this matter.

Feel free to contact me anytime if you have any questions.

sincerely,

Jonathan Lee Riches
